The **Email Template** and **SMS Template** sections above allow you to customize your messages if you desire.

- Email Template custom message will be placed between the standard message and can be previewed by clicking the Preview Email Message button
- **SMS** message will go out exactly like the **SMS Template** above with your name and custom review link filled in. Keep in mind; an SMS is limited to 160 characters per message including your link.

Only click the Send Notifications button once

Once sent successfully, you will be redirected to the page above and see a pop-up message with the # of messages successfully sent.
